

**Child
Safety**

Coloring

Book

This booklet was prepared to make each of you aware of the need for fire safety, home safety, and bicycle safety.

When you know what to do there is less chance for you to be seriously hurt in a fire and you can be more aware of harmful situations so that you can avoid them.

Have fun with this booklet, but also use it to help yourself and your family learn some valuable lessons about safety in and around your home.

*The information in this publication is available,
upon request, in an alternative, accessible format.*

Let's
Learn
About
Fire
Safety

Fires can be GOOD,
for cooking and heating.

Fires can be BAD when
they burn people

and destroy property.

**Electrical appliances can burn YOU
and your HOUSE.**

Matches are not a toy.

Grown-Up

Trace the word. Draw a Grown-Up.

If your clothes catch on fire.

STOP Don't Run.

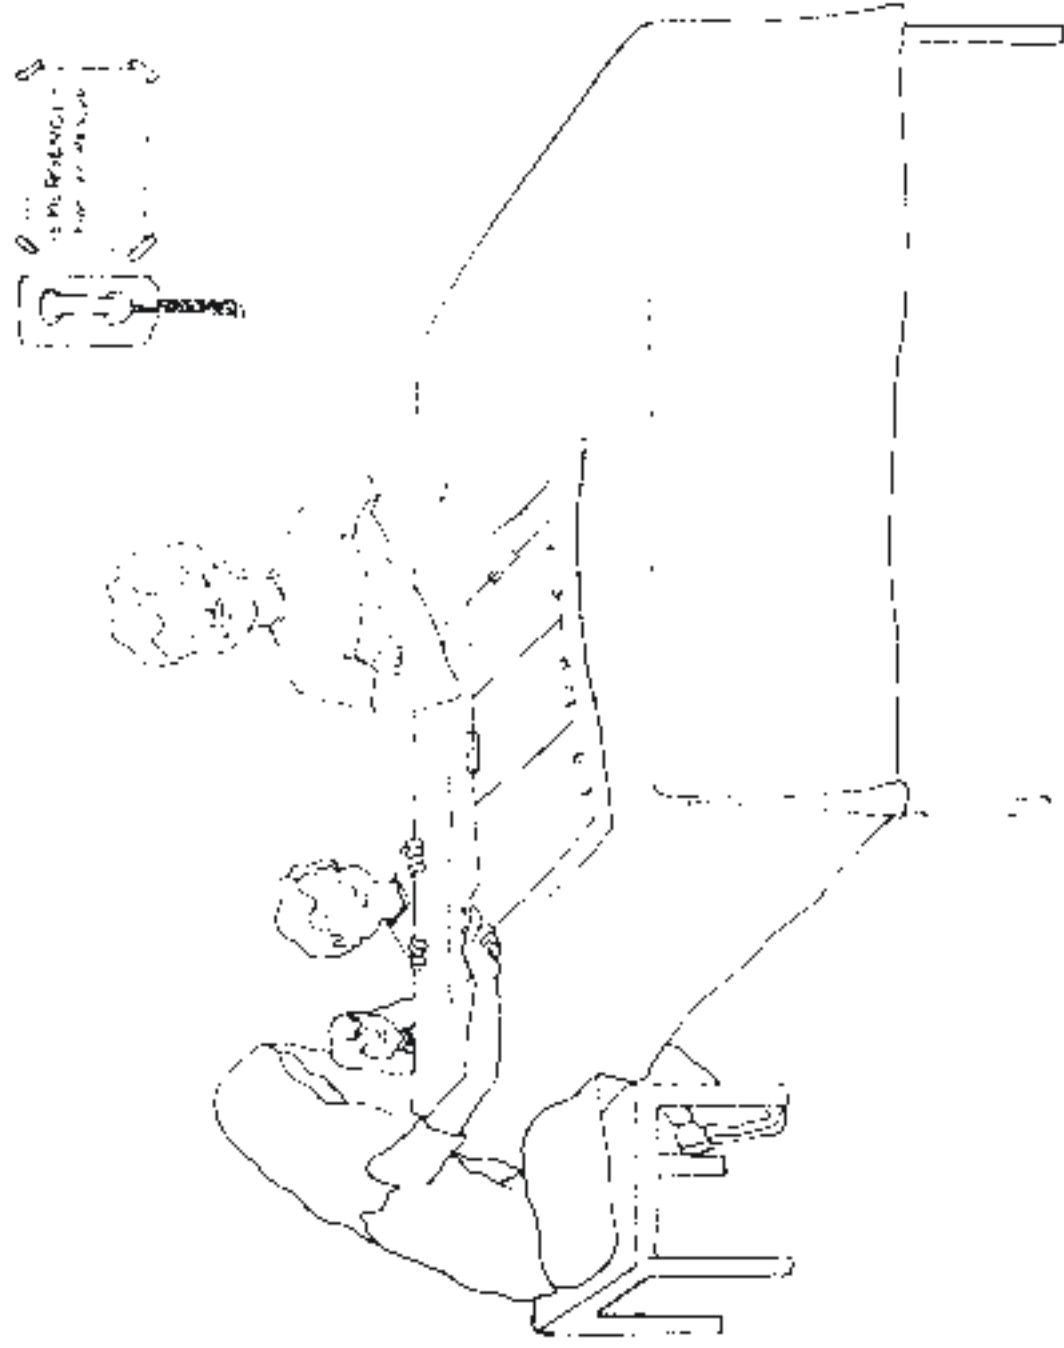

DROP to the ground and cover your face with your hands.

ROLL over and over to smother the fire.

My family has a
HOME ESCAPE PLAN.

Smoke is Deadly.

If you wake up and
smell smoke . . .

Don't jump up,
instead . . .

Drop to the floor
and crawl to the door
to get out.

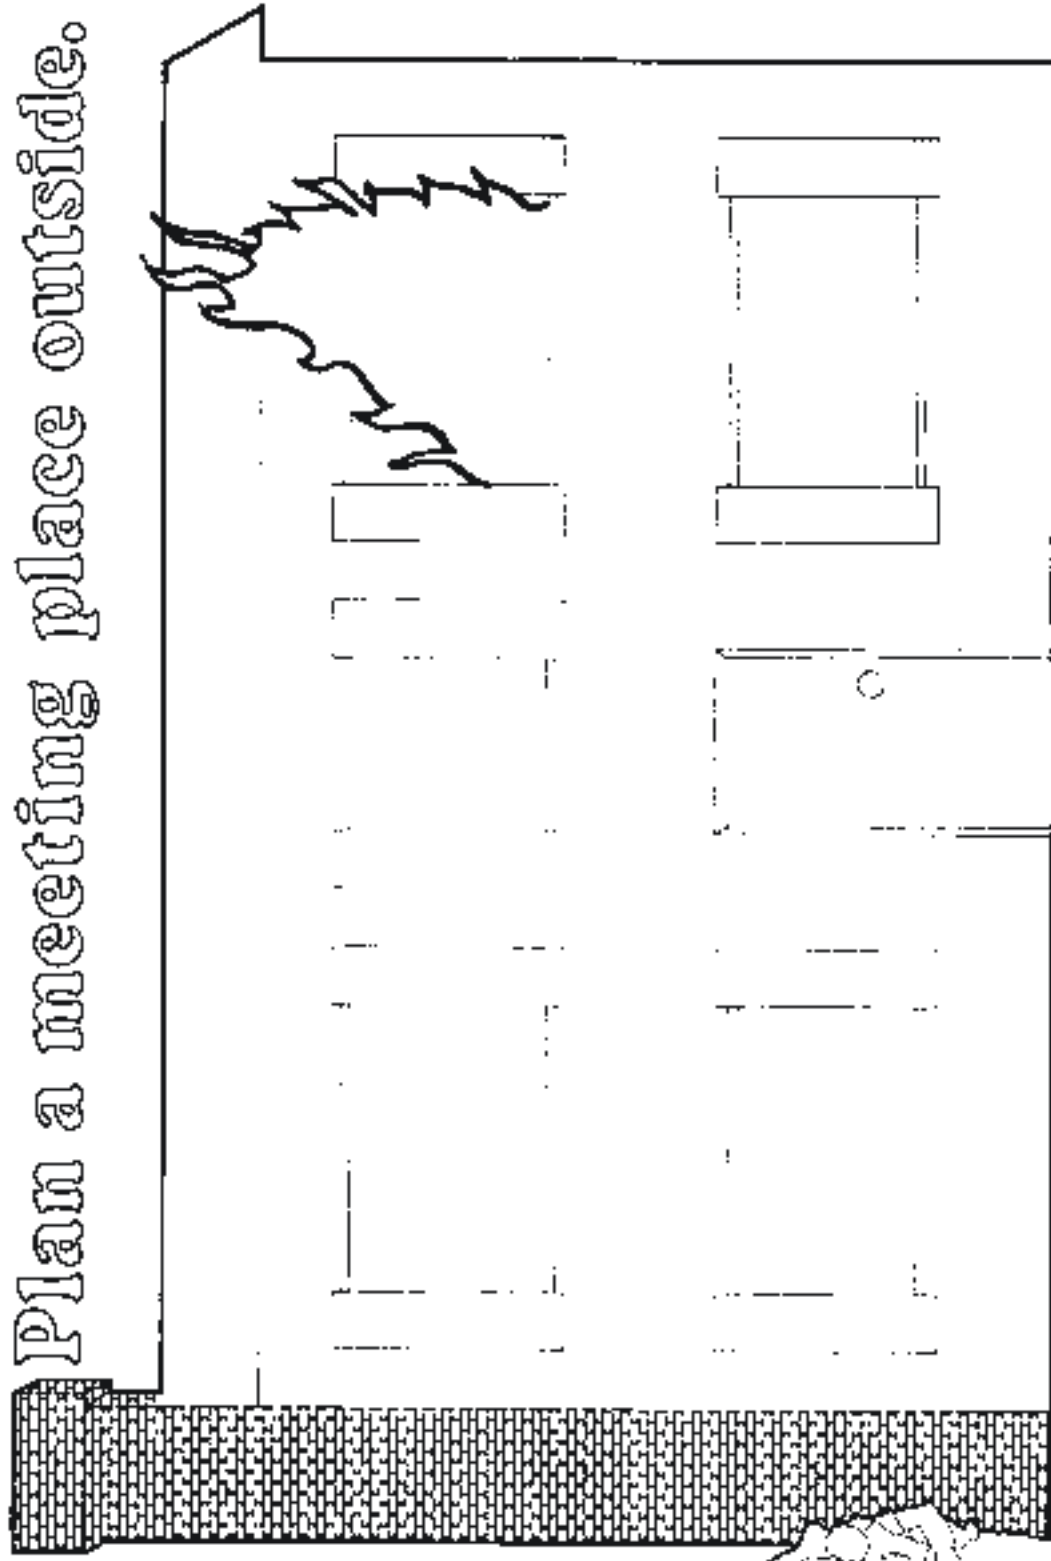

Stay Low and GO

If the door
feels warm,
crawl to the
second exit.

If you can't get
out the second
exit, wait by the
window and call
for HELP.

Plan a meeting place outside.

NEVER go into a burning building.

CALLING FOR HELP

TELL THE OPERATOR:

1. PROBLEM
2. ADDRESS

3. NAME &
PHONE NUMBER
4. STAY ON THE LINE
